**How to read this ticket**

Your ticket is eligible to win a prize in each of the HoopsMania sweepstakes' 5 contests. In each of these contests, your ticket is randomly assigned 5 teams that will play in college basketball's national championship tournament in March (see section above). The teams are represented by their seed numbers and regions in the tournament. Prizes are awarded at the end of each contest to the tickets whose teams score the most and fewest combined total points (see front of ticket for prizes). In case of ties, the 'total combined rebounds' by your teams is used as a tiebreaker to determine the winner. Official rules, results, and winners can be found on the website at...

**HoopsMania rules**

1) Each contest's prize money winners are based on the combined points scored by the 5 teams on the ticket for that contest. Teams only accumulate points during the rounds specified for their assigned contest. Teams that have been eliminated from the tournament get 0 points in rounds they do not play. 2) If two or more tickets are tied with the same score, 'total combined rebounds' is used as a tiebreaker. The more rebounds the teams get, the higher the ticket's score. 3) Minimum odds of winning: 1 in 51.2 per ticket; 1 in 256 for each contest. 4) No purchase necessary to play. Void where prohibited. 5) See website for complete rules, eligibility requirements, winning tickets, termination dates, and ways to obtain a ticket.
